

WORKING TOGETHER TO PROTECT OUR MOST VULNERABLE PATIENTS

America's leading doctors, nurses, clinicians, hospitals, health insurance providers, biopharmaceutical companies and employers are committed to working together in this unprecedented time, to ensure every American receives the care they need and deserve. As we work to help stop the spread of COVID-19, America's health care leaders are working together to protect America's most vulnerable patients.

Since the onset of this crisis, the private market has been working to fill gaps that Medicare and Medicaid can't for our most vulnerable.

HEALTH CARE PROVIDERS ARE ACTING QUICKLY TO PROTECT VULNERABLE POPULATIONS:

- America's Health Insurance Plans Is Committed To Matching The Waivers Provided By Medicare And Will Temporarily Suspend Or Relax Additional Policies As Needed In The Hardest Hit Areas. ([AHIP](#), 3/23/20)
